Ask your Sales Counselor about additional standard features and options. The exterior drawings shown here are artist's renderings. The developer may change home designs, materials, features, methods of construction and price without prior notice. Room size may vary slightly from those shown on the floor plan.

Model homes contain some optional features not included in the base price of the home. Decorator items in the model, including landscaping, furnishings and window treatments, may not be available through Del Webb. Please see your Sales Counselor for more specific information on these models.

Sun City Tucson is a project of the Del E. Webb Development Co., L.P., Del Webb Communities, Inc.—Licensed Broker.
