Market Conditions

Buyer's vs. Seller's Market

This graphic explains the key similarities and differences between a buyer's and seller's market; and how these market factors impact each group.

How it Impacts Buyers	Buyer's Market More people selling homes than buying - More homes to choose from - Could spend less than asking price - Price restrictions - Rarely competing offers	Seller's Market More people buying homes than selling - Fewer homes to choose from - Need to be able to close quickly - Could spend more than asking price - Competition from other buyers
	Buyer's Market More people selling homes than buying - Takes more time to sell - Fewer offers received - Could get lower than asking price - May have to make repairs and/or concessions	Seller's Market More people buying homes than selling - Home sells quickly - Multiple offers likely - Could get more than asking price - Buyers willing to overlook repairs
